MEMORANDUM FOR: Assistant Deputy Director
Inspection and Security

SUBJECT: Security Check on [REDACTED]

25X1A

I would greatly appreciate it if urgent attention could be given to the security check for [REDACTED] whom I am requesting Personnel to hire for me.

25X1A

As you may recall since its establishment this office has requested only two other security checks. In view of the difficulty of recruitment for this office and the need for [REDACTED] services, getting him as quickly as possibly is highly desirable.
